

# ¡HOLA, CUBA!

Up to seven daily flights between the U.S. and Cuba.

### CONNECTING COUNTRIES

Service between the U.S. and Cuba gives JetBlue the opportunity to bring everyday people traveling between the two nations the same low fares and great service that make the airline the favorite way to fly in the Caribbean and Latin America.

### SEAMLESS SERVICE

With fares inclusive of Cuban government required health insurance, convenient booking and the ability to purchase Cuban Tourist Visas at U.S. gateway airports, JetBlue offers a simple, customer-friendly approach to Cuban travel.

### INVESTMENT & EXPERIENCE

Following five years of successful charter service, JetBlue plans for commercial service between the U.S. and four Cuban cities further showing the airline's commitment to a long-term investment in Cuba and growing markets.

### CARIBBEAN COMMITMENT

JetBlue's presence in Cuba will complement its major Caribbean and Latin American footprint, where it is one of the top airlines flying to nearly 40 destinations in the region. JetBlue is the largest airline in Puerto Rico and the Dominican Republic.
